## \$1000 TOP PRIZE

### Anyone Can Win (Even Unrated)

Rated players are handicapped using USATT handicapping rules. Unrated players play in a separate bracket until semi-finals when they are given an unofficial rating by a panel of judges.

The handicap matches will be played as a best of 3 to 21. The lower rated player starts each game with his/her score based on the assigned handicap. The serve changes as normal; e.g. player A has a 3point handicap, wins the toss, and elects to serve. He/she would start 3-0 and serve only 1 point before the service change.

**Limited slots available** for rated players.
